

Saginaw Valley State University
Summer Camp Workshop Descriptions

ALL electives are taught by specialists in their fields! There are multiple instructors in every classroom. Unless noted, ALL supplies are provided for your child and the cost is covered in the camp fee.

Blacklight Theatre

Brings folktales, fairytales and short stories to life using blacklight technology as the basis with the use of large painted characters to develop the story.

Mask & Movement

This class will explore the physical side of creating character. The students will create their own masks and work with SVSU Faculty member in bringing their “mask” character to life. This class is geared to the 3 – 9 grade levels.

Musical Theatre

Fully choreographed selections from top Broadway musicals of the year. Previous experience is NOT necessary.

Special FX Make-up

This fun and informative elective workshop is designed especially for kids who are interested in learning about Special Effects Make-up for the stage. Attendees will learn techniques, used by professionals, to create a variety of realistic burns, open wounds and scars, monstrous face painting and character designs and more. All supplies are provided! (Those students with latex allergies should consider another elective!)

Stage Combat

A basic introductory look at stage combat. Taught by a certified instructor. The class covers hand to hand, weapons and falling down.
