STATE UNIVERSITY**

What is the value of the program to current partners?

“Having the opportunity to get on campus and have our opportunities in students ears throughout their time at university”

2023-2024 Partner

“Partnerships are key, to remaining competitive and to assist in equipping students with the skills and insights they need to chart their own fulfilling and successful career path. Building these connections helps bridge the gap and connect the students with our system and opportunities now and in the future”

2023-2024 Partner

“We have built relationships with many great SVSU students and alumni over the years! The university has a deep pool of talent and, with the well-attended career fair events, we are able to create that personal connection with each individual...”
