

SCHOLARS' SCROLL

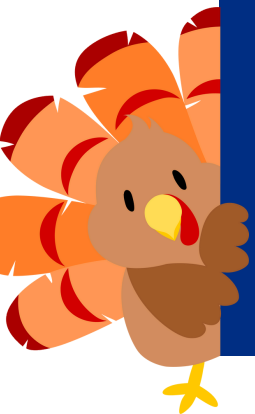

FOR THE SCHOLAR BY THE SCHOLAR

NOVEMBER 2024

SCHOLAR OF THE MONTH

Meet our driven third-year scholar, Allie Page. Majoring in Marketing with a minor in Biology, Allie exemplifies both academic excellence and leadership. She has earned President's List honors twice and skillfully balances her studies, work as an independent distributor for Herbal Life Nutrition, and the responsibilities of being a mom of one, with another little one on the way. Allie prioritizes health by promoting nutrition and daily exercise, and she stays active in her community through involvement with Delight Ministries on campus. Her advice to fellow students? "Stay organized and find your way" Allie is a true example of balancing ambition with heart.
