FOR THE SCHOLAR BY THE SCHOLAR

OCTOBER 2024

SCHOLAR OF THE MONTH

Meet our standout sophomore of the month, Gwendalyn Shannon. Gwen is majoring in Marketing with a vision to open an affordable and dietary-friendly candy store. Outside of academics, she is committed to staying active by attending spin classes and turn-up workouts with her roommate. Her dedication to wellness stems from her former background as a gymnast. In her free time you'll find her catching up on her favorite TV show "Love is Blind". She is looking forward to attending Delight where she hopes to meet like-minded people who share her beliefs. With her passion, creativity, and drive, Gwen is sure to make a sweet impact both at SVSU and beyond.
