

# SCHOLARS' SCROLL

FOR THE SCHOLAR BY THE SCHOLAR

SEPTEMBER 2024

## SCHOLAR OF THE MONTH

Each month, we recognize students who go above and beyond in our program. This month Carter Baese has hit the ground running and proved that it is never too early to begin your success story. Carter is a first-year student undertaking a major in environmental studies in hopes of pursuing a career in urban planning. He has been a dedicated soccer player his whole life and is now a part of the SVSU club soccer team where he dominates in midfield. Apart from the soccer team he is also planning to join the geography club to further invest in his studies. Surely, Carter is walking the path to success. Way to go Carter!

## WELCOME BACK SCHOLARS

We are excited to announce an increase for this year's scholarship for PSA students, including a book scholarship for those who would like to apply. Along with the scholarship this year PSA will be taking a trip to Germany and Prague, if you are interested, please talk with Mr. Copleland. This year students will need to maintain a stronger GPA and keep track of their compliance scores to stay within program guidelines. Don't forget to check out the new study area, and please make sure to sign in when using it. Have a great day scholars!
